

2021 EDITORIAL CALENDAR

Write for *WE&T* in 2021

Showcase your ideas, your facility, your company, and your results! *Water Environment & Technology (WE&T)* reaches about 43,000 water-sector leaders and front-line operators and engineers worldwide each month. You can share electronic copies of published articles through email, websites, and social media.

Publishing is as easy as 1, 2, 3.

1. Find the topics below that you would like to write about and send us an idea or a manuscript. Ideas can be as simple as a few paragraphs. Full manuscripts can be technical papers, white papers, or fully crafted articles. (Ideas are due earlier to give more time to develop them.)

2. Work with our editors to refine and develop the article. One or two sets of edits usually gets the job done.

3. See your work published in print and online, making it easy to share with your peers.
