

2025 EDITORIAL CALENDAR

Get Published in *WE&T*

Water Environment & Technology (*WE&T*) is a benefit of WEF membership and goes to more than 40,000 water-sector leaders and front-line operators and engineers worldwide each month — and member

voices add an additional value. Your contributions help your service area — your customers — every day. Take time to share those contributions with your global water sector community through *WE&T*.

Use the topics listed below to decide where your message might fit best.

Also understand *WE&T* will expand the theme of our coverage beyond operations, engineering, regulations, and best practices to include the business side of the water sector and worldwide perspectives. Contact magazine@wef.org with ideas and questions. 

January

2025 State of the Sector
Smart Water & Data Analytics
Utility Management
Funding & Financing

Important Dates

Ideas due: September 30, 2024

Manuscripts due: October 15, 2024

Bonus Distribution

Utility Management Conference |
